REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: In an Examiner initiated interview, the Examiner requested a correct copy of claims from the preliminary amendment. It became apparent from the response of 1-10-05 that an incorrect set of claims from the parent application 10/457,195 was presented. During the interview it was agreed upon by the Examiner and applicant that a terminal disclaimer to the parent applications would expedite prosecution to avoid double patenting issues that were present in prosecution of several parent applications.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Chapman whose telephone number is 571-272-1381. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Huff can be reached on 571-272-1385. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
